

**Fishing Contest ~ No Fees to Enter**  
**4 Month Long ~ November 1, 2009 thru February 28, 2010**  
**Sponsored by Rio Frio Lodging & Hill Country Nature Center**

**Rio Frio Lodging & Hill Country Nature Center** will hold its 2nd annual 4 months long Fishing Contest. No matter whether you are a novice or a seasoned pro, this contest is for everyone. Plaque & cash prizes Awarded for fly fishing or spin-casting with Youth & Adult Divisions.

**\*To enter this Contest you must be a paid guest staying in one of the 22 Cabins & Vacation Homes managed by Rio Frio Lodging.** You can come back to stay & fish as many times as you want between Nov.1, 2009 & Feb.28, 2010.

**No fees to enter;** but you must pre-register for this contest, have a valid fishing license with a freshwater fishing stamp endorsement & follow all Texas fishing laws of fish length & number of fish that can be caught per day. You must bring your own rod & tackle; worms can be purchased at local stores. All fish must be caught from the Frio River or Sabinal River. We encourage catch & release fishing; but your fish must be weighed in at our Lodging Office/Nature Center and we will keep a running total of the weight for all the fish you catch during those 4 months. At the end of the 4 months the participants with the heaviest totals will be the winners.

We can give you fishing tips on how and where to fish in our area, plus a list of the fish species found in our crystal clear rivers. You can fish from the bank, while wading or kayaking. Winner's photos will be posted on our web site & with owner's permission may be used in promotional materials. Awards will be mailed to winners.

**Think you can't possibly win;** someone could win with just 1 or 2 fish if no one else enters, or if others catch smaller fish. Give it a try & enjoy quality time with your son or daughter!
